Bienvenue à La Boulangerie

Le Bon Vivant and the “Good Life”, that’s what you’ll find at La Boulangerie in East Twickenham and in St Margarets, a French family – run business stocked with simple, honest foods made in the traditional way, full of flavour and unforgettable taste.

From your daily baguette to gastronomic delights, La Boulangerie products are freshly made every day according to French home made and artisanal recipes by master bakers using all natural ingredients – unbleached French flour, French butter, fresh fruit, the finest chocolate, and no artificial additives, flavourings, colourings or preservatives. We never compromise on quality, which is why it takes 3 days before a croissant is ready to be eaten! So, do what you want to do, eat what you want to eat and enjoy it your way – every day.
